### Supplemental Security Income Recipients Will Receive Automatic COVID-19 Economic Impact Payments

SSI Recipients with Dependent Children Should Still Go To IRS.gov to Provide Their  
Information

The Social Security Administration announced today that Supplemental Security Income (SSI) recipients will receive automatic Economic Impact Payments directly from the Treasury Department. Treasury anticipates these automatic payments no later than early May.

SSI recipients with no qualifying children do not need to take any action in order to receive their \$1,200 economic impact payment. The payments will be automatic.

SSI recipients who have qualifying children under age 17, however, should not wait for their automatic \$1,200 individual payment. They should now go to the IRS's webpage at [www.irs.gov/coronavirus/non-filers-enter-payment-info-here](http://www.irs.gov/coronavirus/non-filers-enter-payment-info-here) and visit the *Non-Filers: Enter Your Payment Info* section to provide their information. By taking proactive steps to enter information on the IRS website about them and their qualifying children, they will also receive the \$500 per dependent child payment in addition to their \$1,200 individual payment. If SSI beneficiaries in this group do not provide their information to the IRS soon, they will have to wait until later to receive their \$500 per qualifying child.

"This is great news for SSI recipients, and I want to remind recipients with qualifying children to go to IRS.gov soon so that you will receive the full amount of the Economic Impact Payments you and your family are eligible for," said Andrew Saul, Commissioner of Social Security. "I also want to thank the dedicated employees of the Treasury Department, the Social Security Administration, and the Internal Revenue Service for making this happen and working non-stop on this issue."

Social Security retirement, survivors, and disability insurance beneficiaries (who don't normally file taxes) will also qualify for automatic payments of \$1,200 from Treasury. These payments are anticipated to start arriving around the end of April.

The Treasury Department, not the Social Security Administration, will make these automatic payments to beneficiaries. Recipients will generally receive the automatic payments by direct deposit, Direct Express debit card, or by paper check, just as they would normally receive their SSI or Social Security benefits.

For those SSI and Social Security retirement, survivors, and disability insurance beneficiaries, with dependent children, who use Direct Express debit cards, additional information will be available soon regarding the steps to take on the IRS website when claiming children under 17.

Please note that the agency will not consider Economic Impact Payments as income for SSI recipients, and the payments are excluded from resources for 12 months.
