

SECTION 8 WELCOME

November 20th, 2020

The units on this list are requests made by owners to make you aware of their available units. Our agency has not seen these rental units or made determinations on the amount of rent charged verses the market rate. The rents listed are only proposed rents subject to our approval should the unit meet the program qualifications. You will need to take a look at the rental unit for size, location, heating type and the overall condition of the unit and make a determination as to whether or not the unit is suitable for you and your household. Please contact our office at 757-539-2100 should you have any questions.
